

Falling Water – Burn Check List

Before you burn you **MUST** notify the following:

1. Kendall County – 830-896-1133
2. Kerr County – 830-249-9721
3. Your neighbors
4. A Fire Awareness Team Member (See the list below)

IF THE FIRE GETS OUT OF CONTROLL CALL 911! Also notify the Fire Awareness Team Member.

Burn Check List:

- Observe the burn ban sign at the front of the gate
- Have the Fire Awareness Team list available
- Make certain the area around the brush pile is clear of dry vegetation for a minimum of 10 feet and choose your burn location with Fire Truck accessibility in mind
- Have a water hose or other source of water ready and functional at the fire site
- **There must be someone present at all times at your burn pile until the fire is completely put out. The fire is deemed out when you take water and douse the ashes soaking them completely!**
- Items that may be burned are yard clippings, tree limbs/cuttings, and trees which have been cut down and cut into manageable logs
- **Plastic/synthetic materials, household trash, and rubber are not permitted to be burned**
- Notify the Fire Awareness Team Member when you have completed your burn

These are the current Fire Awareness Team Members:

David or Val Stovall – 995-5952, David’s Cell #281-300-3542

Brad or Debbie Scott – 995-3299, Brad’s Cell #281-488-5977

David or Anita Worrell – 995-5126, Dave’s Cell #832-264-7702

Mark or Nancy Heerema – 995-3448, Mark’s Cell #832-857-7763

Lee Beauchamp – Lee’s Cell #210-749-1650

Dan Niggles – Dan’s Cell #240-270-6059

Be aware that we live in a dry environment with strong winds and low humidity, and that most of our properties present challenges to fire responders when a fire is out of control. This check list is meant to assist you in having a safe burn. **YOU ARE RESPONSIBLE FOR THE RESULTS OF YOUR BURN!**
